

# CHAPEL HILL EX-STUDENTS ASSOCIATION

**If you are not a member, join today**

All former students, teachers, and friends of the school welcome

Do you ever wonder what happened to your old classmates at Chapel Hill? Or about what's happening in the Chapel Hill community? Or ever wish that you were financially able to help others make their hopes and dreams in life come true?

There is a great way that you can do all of the above and more. The Chapel Hill Ex-Students Association is an organization of your old class mates who want to help others out, who are willing to contribute a little of their time to make these things happen, and have a good time while doing just that.

The Association has a number of standing committees that need someone just like you to fill vacancy spots. And if you're a real glutton for serving, we hold elections each year to fill officers' and directors' jobs. Whether as an officer, director, committee member, or inactive member, this is a way for you to show some old school spirit, do some good in this world, and have a good time doing it. Garage sales, golf tournaments, commemorative brick sales, and old fashioned jaw boning at our monthly meetings are just a few of the things we need your help with. Call an active member, officer, or director, and join us today. Whether you're able to be active or not, we can use your membership and annual dues to help carry out this good work. Please fill in the form below and send in as an information response or as a membership payment. We are presently trying to build a new Ex-Student database with current information. If you'll take just a minute of your time and mail in the form, we will be grateful.
